1. Investing in the Loftus Peak Global Disruption Fund

Application cut-off times

If we receive a correctly completed Application Form, identification documents (if applicable) and cleared application money:

- before or at 2pm (Sydney time) on a Business Day and your application for units is accepted, you will generally receive the Application Price calculated for that Business Day; or
- after 2pm (Sydney time) on a Business Day and your application for units is accepted, you will generally receive the Application Price calculated for the next Business Day.

We will only start processing an application if:

- we consider that you have correctly completed the Application Form;
- you have provided us with the relevant identification documents if required; and
- we have received the application money (in cleared funds) stated in your Application Form.

For investors who apply via mFund if:

- we receive an application for units via mFund; and
- we receive the relevant application money (in cleared funds).

We will not investigate whether an application for units received by Equity Trustees via mFund has been made with the authority of the applicant.

We reserve the right to accept or reject applications in whole or in part at our discretion. We have the discretion to delay processing applications where we believe this to be in the best interest of the Fund's investors.

Please see the PDS for information regarding how to apply.

2. Managing your investment

Authorised signatories

You can appoint a person, partnership or company as your authorised signatory. To do so, please nominate them on the Application Form and have them sign the relevant sections. If you wish to apply or have applied for units via mFund, please contact the Administrator for the appropriate form that your authorised signatories will need to sign. If a company is appointed, the powers extend to any director and officer of the company. If a partnership is appointed, the powers extend to all partners. Such appointments will only be cancelled or changed once we receive written instructions from you to do so.

Once appointed, your authorised signatory has full access to operate your investment account for and on your behalf. This includes the following:

- making additional investments;
- requesting income distribution instructions to be changed;
- withdrawing all or part of your investment;
- changing bank account details; and
- enquiring and obtaining copies of the status of your investment.

If you do appoint an authorised signatory:

- you are bound by their acts;
- you release, discharge and indemnify us from and against any losses, liabilities, actions, proceedings, account claims and demands arising from instructions received from your authorised signatory; and
- you agree that our acting on any instructions received from your authorised signatory shall amount to complete satisfaction of our obligations, even if these instructions were made without your knowledge or authority.

Reports

Investors will be provided with the following reports:

- application and withdrawal confirmation statements;
- transaction statements; and
- (where applicable), distribution and tax statements

The annual audited financial accounts are available on Equity Trustees' website.

3. Withdrawing your investment

Withdrawal cut-off times

If we receive a withdrawal request:

- before 2pm (Sydney time) on a Business Day and your withdrawal request is accepted, you will receive the Withdrawal Price calculated for that Business Day; or
- on or after 2pm (Sydney time) on a Business Day and your withdrawal request is accepted, you will receive the Withdrawal Price calculated for the next Business Day. If you acquired your units through mFund settlement service, you must place your withdrawal request through mFund by placing a sell order for units with your licensed broker.

We reserve the right to accept or reject withdrawal requests in whole or in part at our discretion. We have the discretion to delay processing withdrawal requests where we believe this to be in the best interest of the Fund's investors.

Please see the PDS for information regarding how to request a withdrawal.

Withdrawal terms

Once we receive your withdrawal request, we may act on your instruction without further enquiry if the instruction bears your account number or investor details and your (apparent) signature(s), or your authorised signatory's (apparent) signature(s).

We may contact you to check your details before processing your withdrawal request. This may cause a delay in finalising payment of your withdrawal money. No interest is payable for any delay in finalising payment of your withdrawal money.

We are not responsible or liable if you do not receive, or are late in receiving, any withdrawal money that is paid according to your instructions.

When you are withdrawing, you should take note of the following:

- withdrawals will only be paid to the investor.
- we reserve the right to fully redeem your investment if, as a result of processing your request, your investment balance in the Fund falls below the minimum balance set out in the PDS.
- if we cannot satisfactorily identify you as the withdrawing investor, we may reject your withdrawal request or payment of your withdrawal proceeds will be delayed. We are not responsible for any loss you consequently suffer.
- as an investor who is withdrawing, you agree that any payment made according to instructions received by post, courier, email or fax, shall be a complete satisfaction of our obligations, despite any fact or circumstances such as the payment being made without your knowledge or authority.
- you agree that if the payment is made according to these terms you, and any person claiming on your behalf, shall have no claim against us with regards to such payment.
- We will not investigate whether a withdrawal request received by Equity Trustees via mFund has been made with the authority of the unitholder.

Withdrawal restrictions

Under the Corporations Act, you do not have a right to withdraw from the Fund if the Fund is illiquid. In such circumstances, you will only be able to withdraw your investment if Equity Trustees makes a withdrawal offer in accordance with the Corporations Act. Equity Trustees is not obliged to make such offers.

The Fund will be deemed liquid if at least 80% of its assets are liquid assets (generally cash and marketable securities). In addition, should Equity Trustees be unable to realise sufficient assets to meet withdrawal payments, it may suspend the calculation of the NAV and withhold withdrawal proceeds.

4. Fees and costs

Additional explanation of Loftus Peak Global Disruption Fund performance related fee

Performance related fee: 15% (incl GST and RITC) of the amount by which the Fund's performance exceeds the MSCI All Countries World Index (net dividends reinvested) in AUD (Index). No performance fees are payable until any accrued underperformance relative to the Index (in dollar terms and adjusted for applications, withdrawals and distributions) from prior periods has been made up (this feature is sometimes referred to as a high-watermark).

Where the aggregate amount of the daily performance related fee amounts is negative, no performance related fee will be reflected in the daily unit price and no performance related fee will accrue until the total of the aggregate amount of the daily performance related fee amounts for the current Performance Related Fee Period (adjusted for applications, withdrawals and distributions) and the negative balance carried forward from previous Performance Related Fee Periods (adjusted for applications, withdrawals and distributions) is a positive amount.

If the aggregate of the daily accrued performance related fee amounts at the end of a Performance Related Fee Period is a positive amount, this positive amount is deducted from the assets of the Fund at the end of each Performance Related Fee Period. The amount of the performance related fee expense is paid to Loftus Peak.

Where the aggregate daily performance related fee amount for a Performance Related Fee Period is negative, no performance related fee expense will be paid to the Investment Manager, and the negative balance (adjusted for applications, withdrawals and distribution) will be carried forward to the next Performance Related Fee Period.

The performance related fee was waived until 1 July 2017.

Performance fee example

The example below is provided for illustrative purposes only and does not represent any actual or prospective performance of the Fund. We do not provide any assurance that the Fund will achieve the performance used in the example and you should not rely on this in determining whether to invest in the Fund.

Assumptions:

- The percentage movement in the MSCI All Countries World Index (net dividends reinvested) from the start of the Performance Related Fee Period to the end of the Performance Related Fee Period is 6%;
- the Fund's performance hurdle for the Performance Related Fee Period is hence 6.00%;
- the Fund's 'investment return' for the Performance Related Fee Period is 8%;
- the Fund's 'investment return' for the Performance Related Fee Period is assumed to accrue evenly over the course of the Performance Related Fee Period;
- the Fund's 'investment return' with reference to which the performance related fee is calculated is a return after deduction of the management costs for the Performance Related Fee Period; and
- there are no negative performance related fee amounts for previous Performance Related Fee Periods to be carried forward.

On the basis of the above assumptions and if you had an investment in the Fund of \$100,000 at the beginning of the Performance Related Fee Period and no withdrawals were effected during the Performance Related Fee Period, your investment would bear a performance related fee expense inclusive of GST of approximately \$300.00 for the Performance Related Fee Period.

Please note that the 'investment return' specified in this example:

- is only an example to assist investors to understand how the performance related fee is calculated and the effect of the performance related fee expense on the investment return of the Fund; and
- is **not** a forecast of the expected investment return for the Fund.

5. Other important information

Your privacy

The Privacy Act 1988 (Privacy Act) and the Australian Privacy Principles regulate the way organisations collect, use, disclose, keep, secure and give people access to their personal information. At Equity Trustees we are committed to respecting the privacy of your personal information throughout the information lifecycle and our Privacy Policy details how we do this.

Equity Trustees may collect personal information about you and individuals associated with you in order to provide products and services to you, and to ensure compliance with legal and regulatory obligations (including under the Corporations Act, the AML/CTF Act and tax related legislation). You must ensure that all personal information which you provide to Equity Trustees is true and correct in every detail, and should those personal details change it is your responsibility to ensure that you promptly advise Equity Trustees of the changes in writing. If you do not provide the information requested we may not be able to process your application, administer, manage, invest, pay or transfer your investment(s). We may also obtain or confirm information about you from publicly available sources in order to meet regulatory obligations.

Equity Trustees may disclose your information to other members of our corporate group or to third parties, where it is necessary, in order to provide you with the products or services. Those third parties may be situated in Australia or offshore, and we take reasonable steps to ensure that all third parties with whom we have a contractual relationship or other influence comply with the Australian Privacy Principles.

The third parties that we may disclose your information to include, but are not limited to:

- stockbrokers, financial advisers or adviser dealer groups, their service providers and/or any joint holder of an investment;
- those providing services for administering or managing the Fund, including the Investment Manager, Custodian and Administrator, auditors, or those that provide mailing or printing services;
- those where you have consented to the disclosure and as required by law; and
- regulatory bodies such as ASIC, ATO, APRA and AUSTRAC.

Equity Trustees or the Investment Manager may from time to time provide you with direct marketing and/or educational material about products and services they believe may be of interest to you. You have the right to "opt out" by contacting Equity Trustees.

Equity Trustees' Privacy Policy contains information about how you can access information held about you, seek a correction if necessary, make a complaint if you think there has been a breach of your privacy and about how Equity Trustees will deal with your complaint.

Full details of Equity Trustees' Privacy Policy is available at www.eqt.com.au. You can contact Equity Trustees' Privacy Officer on +61 3 8623 5000, or email to privacy@eqt.com.au to request a copy.

The Constitution

The Fund is governed by a Constitution that sets out the Fund's operation (the "Constitution"). This Constitution, together with the Fund's PDS, the Corporations Act and other laws, regulate our legal relationship with investors in the Fund. If you invest in the Fund, you agree to be bound by the terms of the Fund's PDS and the Fund's Constitution. You can request a copy of the Constitution free of charge from Equity Trustees. Please consider these documents before investing in the Fund.

We may amend the Constitution from time to time in accordance with the provisions in the Constitution and the Corporations Act.

Anti-Money Laundering and Counter Terrorism Financing ("AML/CTF")

Australia's AML/CTF laws require Equity Trustees to adopt and maintain an AML/CTF Program. A fundamental part of the AML/CTF Program is that Equity Trustees knows certain information about investors in the Fund.

To meet this legal requirement, we need to collect certain identification information and documentation ("KYC Documents") from new investors. Existing investors may also be asked to provide KYC Documents as part of a re-identification process to comply with AML/CTF laws. Processing of applications will be delayed or refused if investors do not provide the applicable KYC Documents when requested.

Under the AML/CTF laws, Equity Trustees is required to submit regulatory reports to AUSTRAC. This may include the disclosure of your personal information. Equity Trustees may not be able to tell you when this occurs.

The Responsible Entity shall not be liable for any loss you may suffer because of compliance with the AML/CTF laws.

Attribution Managed Investment Trusts ("AMITs")

The Constitution allows, where separate classes of units are on issue in respect of the Fund, for income allocation to take into account any impact of the currency overlay that may be in place for the respective classes. The quantum of the distribution is sought to be determined on a standalone basis. Prior to the AMIT multi-class election being made (as described below), the Fund is treated as a single taxpayer. As any separate classes of units would not currently be treated as separate taxpayers, it is possible under the current taxation regime that the tax character of distributions made to a particular class may be impacted by transactions associated with another class. The Constitution provides a mechanism to seek to minimise this outcome. Insofar as possible, where separate classes of units are on issue, the Constitution seeks to quarantine the income associated with a particular class to that class.

In May 2016, the Australian Federal Government enacted legislation establishing a new tax system for AMITs. Trusts that meet the eligibility criteria to be an AMIT may elect into the AMIT rules. An election into AMIT has been made in respect of the Fund and therefore the following will apply:

Fair and reasonable attribution: Each year, the Fund's determined trust components of assessable income, exempt income, non-assessable non-exempt income and tax offsets (i.e. credits) will be allocated to investors on a "fair and reasonable" attribution basis, rather than being allocated proportionally based on each investor's present entitlement to the income of the Fund.

Unders or overs adjustments: Where the Fund's determined trust components for a year are revised in a subsequent year (e.g. due to actual amounts differing to the estimates of income, gains / losses or expenses), then unders and overs may arise. Unders and overs will generally be carried forward and adjusted in the year of discovery.

Cost base adjustments: Where the distribution made is less than (or more than) certain components attributed to investors, then the cost base of an investor's units may be increased (or decreased). Details of cost base adjustment will be included on an investor's annual tax statement, referred to as an AMIT Member Annual Statement ("AMMA").

Large redemptions: In certain circumstances, gains may be attributed to a specific investor, for example, gains on disposal of assets to fund a large redemption being attributed to the redeeming investor.

Multi-class AMITs: A choice is available to elect to treat separate classes of units as separate AMITs. Equity Trustees is intending that the AMIT multi-class election be made in respect of the Fund.

Penalties: In certain circumstances (e.g. failure to comply with certain AMIT rules), specific penalties may be imposed.

The new rules are intended to reduce complexity, increase certainty and reduce compliance costs for managed investment trusts and their investors.

Indirect Investors

You may be able to invest indirectly in the Fund via an IDPS by directing the IDPS Operator to acquire units on your behalf. If you do so, you will need to complete the relevant forms provided by the IDPS Operator. This will mean that you are an Indirect Investor in the Fund and not an investor or member of the Fund. Indirect Investors do not acquire the rights of an investor as such rights are acquired by the IDPS Operator who may exercise, or decline to exercise, these rights on your behalf.

Indirect Investors do not receive reports or statements from us and the IDPS Operator's application and withdrawal conditions determine when you can direct the IDPS Operator to apply or redeem. Your rights as an Indirect Investor should be set out in the disclosure document issued by the IDPS Operator.

Information on underlying investments

Information regarding the underlying investments of the Fund will be provided to an investor of the Fund on request, to the extent Equity Trustees is satisfied that such information is required to enable the investor to comply with its statutory reporting obligations. This information will be supplied within a reasonable timeframe having regard to these obligations.

Foreign Account Tax Compliance Act ("FATCA")

In April 2014, the Australian Government signed an intergovernmental agreement ("IGA") with the United States of America ("U.S."), which requires all Australian financial institutions to comply with the FATCA Act enacted by the U.S. in 2010.

Under FATCA, Australian financial institutions are required to collect and review their information to identify U.S. residents that invest in assets through non-U.S. entities. This information is reported to the Australian Taxation Office ("ATO"). The ATO may then pass that information onto the U.S. Internal Revenue Service.

In order to comply with the FATCA obligations, we may request certain information from you. Failure to comply with FATCA obligations may result in the Fund, to the extent relevant, being subject to a 30% withholding tax on payment of U.S. income or gross proceeds from the sale of certain U.S. investments. If the Fund suffers any amount of FATCA withholding and is unable to obtain a refund for the amounts withheld, we will not be required to compensate unitholders for any such withholding and the effect of the amounts withheld will be reflected in the returns of the Fund.

Common Reporting Standard ("CRS")

The CRS is a standardised set of rules developed by the Organisation of Economic Co-operation and Development that requires certain financial institutions resident in a participating jurisdiction to document and identify reportable accounts and implement due diligence procedures. These financial institutions will also be required to report certain information on reportable accounts to their relevant local tax authorities.

Australia signed the CRS Multilateral Competent Authority Agreement and has enacted provisions within the domestic tax legislation to implement CRS in Australia. Australian financial institutions need to document and identify reportable accounts, implement due diligence procedures and report certain information with respect to reportable accounts to the ATO. The ATO may then exchange this information with foreign tax authorities in the relevant signatory countries.

In order to comply with the CRS obligations, we may request certain information from you. Unlike FATCA, there is no withholding tax that is applicable under CRS. However, penalties may apply for failing to comply with the CRS obligations.
